*The University of Reading - 'Terry Frost: painting in the 1980s', 1986, illustrated p. 31*

*Auctions - Christie's, 7th June 1991, lot no. 340*

This work presents as being in truly excellent condition, however, close examination reveals a few minor issues. We have noted a scratch above the top left circle and another on the left of the center right circle. The bottom right corner has had a knock with minor paint loss as a result.

None of this affects the stunning appearance of this major piece.
