Roger HILTON (1911-1975)

Untitled

Gouache

Initialed 'H' and dated '73

25.5 x 34cm

This work has been in the Grimble collection for some fifteen years but it is not known how Jonathan acquired it.

It is float mounted behind glass and has not been examined out of the frame. The paper seems to be detached along the top and we would suggest it be remounted

We see pin holes to the corners and shrinkage to areas of the green gouache, a little grubbiness, and some minimal creasing

Otherwise, it is in good condition
