Anne Harriet SEFTON FISH (1890-1965)

St Ives Moggies and Nets

Oil on canvas laid onto board

42 x 43

There are a few areas of loss, a few instances of very minor cracking and a little bit of skinning to the surface of the paint allowing the canvas to show through, please see additional images. It looks as though this work has been stabilised and cleaned. Generally, the painting is very well presented in a pale wood frame with a white painted slip under glass.
